

North Louisiana Vintage Tractor Club

NLVTC

Meeting January 3, 2013

-Newly elected president Barry Howard called the meeting to order.

-Doug James opened the meeting with prayer.

-Barry introduced new member Danny Sullivan who is from Sikes.

-Ken Clow was introduced to the club by Bill Little. Ken has made the new web site for our club and invited our club to view it.

-Mr. Huddleston gave the treasure report and was passed by the club.

-Secretary report for November was read since there was no December meeting. Passed as read.

-New business was the new web site:

The web site can be found at www.NLVTC.net

Membership list will be placed on the new web site by Mr. Clow. After discussing the membership list it was determined that only name and address of the members will be placed on the list for right now.

-Some of the clubs past activities were discussed:

Winnfield Christmas Parade was led by Larry Bryant and was a very good parade

Redneck parade had 8-9 tractors in it. Dan Little represented our club

West Monroe Parade had 9-10 tractors with Dan and Bill Little representing our club

Much discussion was done on the upcoming events for 2013. There were so many changes/additions to the schedule Bill Little agreed to update the list for the club. Once he has updated the list he will give it to Mr. Ken Clow so it can be placed on our clubs web site.

-Doug James asked the club for a date for our tractor ride to the Western Town. The club came up with the date of April 27th for the ride. A estimate of 40 people will probably make the ride. Doug said the Western Town, Sabine Cross, can be toured on Face Book.

Barry brought up some accidents that were reported by EDGE. Stressed to our group to be careful and safe with all of our clubs activities. We don't want anyone getting hurt.

-Melvin Shaw made the motion to have the drawing and adjourn the meeting.

Brandon Howard won the drawing. Kept \$20 and gave the club the remainder amount.
