

North Louisiana Vintage Club

EDGE @ TA Branch 179

Meeting July 3rd 2014

- Meeting was conducted by Vice President James Little in the absent of President Barry Howard. Meeting called to order.
- Larry Huddleston opened the meeting with prayer.
- P. Wilkerson read the minutes of the last meeting. Motion by Dan Little to accept report, received a 2nd and all approved.
- Larry Huddleston gave the Treasure Report. Motion by Bill Campbell to accept the report; 2nd by Herschel Bryant. All approved. At this point Larry Huddleston noting that effective tonight he will be withdrawing his duties and responsibilities as the club Treasurer. He noted that he didn't feel that he could carry on with those responsibilities without undue stress on him. He suggested that Carol Little fill the Treasure position until his term expires. General consensus of the club that this would be ok. Larry and Carol would work out a procedure between them in regard to signature needed on checks if any. Current club balance is \$10,694.97.
- Ronnie Sales talked about the Golden Harvest event that he attended. Noted that it was really good and he recommends it as an event to attend.
- The Red Power event was discussed. Richard Sanders and Dan Cotton attended. They also noted this was a good event to attend.
- The Murphy gathering in Arcadia will be held July 19th. Take Hwy 151 north out of Arcadia. Go app. two miles – site on left side of hwy – look for signs. Bring your own chairs and drinks. Fish will be served. Real Big “Hoot- n- Holler”
- The Saline watermelon festival is scheduled for the 12th. We have been asked to bring as many tractors as we can to go along with the antique car show. Tractors will be judged 1st, 2nd, 3rd for trophies.
- The Minden Tractor Supply Store has requested through Ronnie Sales that they would like to have some antique tractors at their store for display July 26th. (someone correct me if I am wrong on this date).
- The Ruston annual pull will be held August 16th. Bill Little led the discussion on this item. He noted that the Beouf River set of scales would be used for this event.
- The Fisk pull was discussed by Dan and Bill Little.
