- Treasurer report read and was passed.
- Received a Certificate of Appreciation card from St. Jude Hospital Research Foundation for the donation the club made. There was an article that ran in the Shreveport Times newspaper about the St. Jude success in Minden. It stated “This small city of about 13,000 raised \$1,319,630 during its annual St. Jude Auction in late January. That a city this size can rally enough support to raise such a large sum of money speaks volumes.” Per captia, this small city raised more money for St. Jude than any city in the United States. We have three members in our club who live in Minden. Way to go Minden!
- Ken Clow, our web master, has developed a page on our web site for our EDGE & TA Regional meet this August in Ruston. He has done a “bang up job” on it. You can look at it by going to our web site. Thanks Ken.
